

### 31-330R G-TEK® 3RX

- Excellent dexterity
- Comfortable
- Excellent dry grip and resistance to oils
- Better wet grip
- Excellent abrasion protections

APPLICATIONS: Assembly, Electronic, Inspection, Small Parts Handling, Manufacturing, Material Handling, Oily Parts handling

### 31-530R G-TEK® 3RX

- Superior dexterity and tactile sensitivity
- Comfortable
- Excellent dry grip and resistance to oils
- Excellent wet grip

APPLICATIONS: Assembly, Parts Handling, Manufacturing, Material Handling

### 31-131R G-TEK® 3RX

- High dexterity
- Good grip in dry and wet conditions with light oils
- Excellent abrasion protection

APPLICATIONS: Assembly, Parts Handling, Manufacturing, Material Handling

### 31-632R G-TEK® 3RX

- Good grip in dry and slightly wet, non-oily conditions
- Better comfort against skin
- Fully coated thumb for extended wear

APPLICATIONS: Assembly, Construction, Material Handling, Glass Handling, Refuse Handling, Landscaping

### 41-8150R G-TEK® 3RX

- Excellent thermal insulation
- Rapid evaporation of moisture from the skin
- Acrylic gloves provide economical protection in cold weather

APPLICATIONS: Used in refrigerated areas, Food processing, Commercial fishing, Construction, Winter outdoor activities and recreation
