

PIP®

Seamless Knit ATA® Aramid Blended Glove with Split Cowhide Leather Palm - Knit Wrist

- Aramid blended lining provides added cut and heat resistance
- Seamless knit construction protects hands without sacrificing comfort or dexterity
- Crisscross stitched split cowhide leather palm provides comfort, durability and excellent abrasion resistance
- Extra reinforcement is applied to the thumb crotch area to increase the wear and life of the glove.
- Knit wrist provides a secure fit and helps prevent dirt and debris from entering the glove
- Color coded hems for easy size identification

Applications

- High Cut Protection and Performance
- Automotive Applications
- Machine Operations
- Metal Fabrication
- Plastic Molding

4X43F
