Deluxe N95 Disposable Respirator with Butterfly Valve, Nuisance Level for OV-AG-Ozone and FR Material - 10 Pack

- Closed cell foam nose cushion and smoother surface that provide more comfort and more secure seal
- Large sealing surface for a better fit for more facial type
- Curved nose clip that follows the contours of the user's nose for superior seal at the nose bridge and reduces fogging of eyewear
- Latex Free and no common allergens for worry free for you and your workers
- Translucent unique butterfly valve, shows the functionality of the valve and increases comfort and worker productivity
- Comes with adjustable knob on strap, offering the possibility to adjust the respirator to get better comfort & fit
- Nuisance level for Organic Vapor, Acid Gas and Ozone, where certain vapors or gases are present below the PEL's, ideal for welders
- Fire-retardant outer layer to protect from sparks. Material meets ANSI/ISEA 110-2003 and CE EN149
