

PIP®

Thermal EXO Dual Layer Balaclava

- Harnesses heat from the sun's powerful solar rays to create an exothermic warming effect, intensifying the warming effect of the material up to 15° F (10°C)
- Solar Activated Dual-Layer Balaclava provides form-fitting comfort and protection from the extreme weather conditions sealing out the cold, wind, and snow
- Soft, breathable mesh inner layer, Nylon/Spandex outer layer
- Dual functionality, combine both face layers in cold climates or pull the outer layer down exposing the inner layer when less insulation is required
- Wear both face layers in cold climates or just the mesh when warmer
- Wear as a ski mask, neck gaiter or a full-face mask

Technical Data

Color	Black
Sizes Available	--
Packaging	Bagged Each
Packed	--
Case Dimensions (cm)	60.00 x 27.00 x 48.00
Case Weight (kg)	16.00
Country of Origin	China
Fabric	Polyester
Warmth Level	--
Coverage	--
