Kut Gard®

DuPont™ Kevlar® Blended Slabbers Glove with Extended Cuff and Double-Sided PVC Dot Grip

- Dupont Kevlar* fiber construction provides high tensile strength relative to its weight, is inherently cut resistant and will not melt, ignite or conduct electricity
- · Seamless construction offers increased comfort and breathability
- Double-sided PVC dots provide enhanced grip and extra cut and abrasion resistance
- Superior abrasion and fatigue resistance compared to traditional para-aramid
- Extended knit wrist helps prevent dirt and debris from entering the glove and provides added arm protection
- · Resists shrinking even with repeated laundering

Applications

- Cut Resistance with Light Heat Protection
- · Automotive Applications
- Glass Operations
