

Claw Cover®

Seamless Knit HPPE / Stainless Steel Blended Antimicrobial Glove - Light Weight

- Claw Cover 13G seamless knit glove with poly/spandex plating for all-day wearer comfort
- A blend of ultra-high-performance fibers and steel to help protect against cuts and lacerations common in Food Processing
- Lightweight, soft and comfortable for greater worker acceptance
- Multiple colors are available for employee work area designation or order in different color by size for ease in laundering
- Antimicrobial treated fibers are food safe and helps to prevent odors and bacterial growth for longer wear between laundering
- Compliant with FDA 21 CFR 177.2800 and approved for direct food contact
