

### Technical Data

Color	Black
Sizes Available	39-47
Packaging	--
Packed	--
Case Dimensions (cm)	--
Case Weight (kg)	0.00
Country of Origin	China
Material	Leather
Outsole	--
Toe Type	--
Tread Pattern	--
Height	--
Construction	--
Certifications	--

### Performance Data

ASTM F2413 Requirement --

### Care Instructions

Hand Wash

### Albatros®

X-Treme CTX MID S3 WR HRO SRC COA.TEX-Membrane, Heat Resistant, Slip Resistant, Water Resistant, Safety Shoes

- **X-TREME OUTSOLE** - The "all terrain" cleat pattern made of nitrile rubber is designed to have good slip resistance (SRC) on smooth and uneven surfaces. The sole is also characterized by a polyurethane foamed comfortable midsole that provides underfoot cushioning and heel shock absorption. It is heat resistant to 300°C (HRO) and has a robust scuff cap.
- **SCUFF CAP** - Abrasion and scratch resistant scuff cap protects the shoe from abrasion especially during kneeling position.
- **COA.TEX® MEMBRANE** - The durable, water resistant and windproof high-tech membrane is particularly breathable and protects the foot from waterlogging through a microporous fabric structure. The membrane transports sweat and moisture to the outside. What remains is a pleasantly dry and comfortable foot feeling.
- **MULTISHIELD® LEATHER** - The special Multishield® leather is, when properly cared for, farmyard resistant, automotive fluid resistant, resistant to dilute acids and alkalis, water resistant and breathable, flame resistant and mold resistant.
