Care Instructions

Hand Wash

Albatros®

Gravel LOW S3 SRC Composite Toe Slip Resistant, Safety Boots

- **XTS TREKSTAR OUTSOLE** - The XTS outsole (cross terrain) is absolutely sure-footed. The self-cleaning sole profile with specially arranged and shaped studs adapts perfectly to the ground, ideal especially on unpaved surfaces. The hard-wearing TPU material is non-slip (SRC), antistatic and oil and petrol resistant. A shock absorber in the heel area ensures a softer step and protects the joints.
- **CUSHIONING MIDSOLE** - A soft PU midsole optimally cushions the high impacts when walking and combines perfect stability and flexibility.
- **SCUFF CAP** - Abrasion and scratch-resistant cap that protects the shoe from wear and tear, especially when kneeling, and thus extends its lifetime.
- **FAP - FLEXIBLE ANTI-PENETRATION** - FAP® is a non-metallic material, especially for safety footwear, made of multiple textile layers of extremely tearproof fibers. The FAP® midsole offers greater comfort, flexibility, cold insulation, humidity absorption and shock absorption to the wearer.
