

Issaline Frog Catch

- EN 388 2131X
- A technical glove in continuous thread with a first coating up to the cuff in latex that guarantees waterproofness and robustness and a second coating in 'sanded' latex that further amplifies the grip typical of latex. The end result is a sensitive, waterproof glove with an unrivalled non-slip grip.
- Yarn: polyester
- Gauges: 15
- Yarn color: yellow
- First coating: smooth latex Second coating: Latex sand effect
