

## SPECIFICATION SHEET

STYLE: 632260

## **Technical Data**

Color	black/red
Sizes Available	39-47
Packaging	
Packed	
Case Dimensions (cm)	
Case Weight (kg)	0.00
Material	Textile
Outsole	
Тое Туре	Aluminum
Tread Pattern	
Height	
Construction	
Certifications	TAA Compliant

## Performance Data

ASTM F2413 Requirement

## PUMA® Safety MADRID MID S1PL FO SR

- METRO SOLE For the first time in safety footwear, the unique full TPU outsole provides special features you only know from high quality football shoes. For example a slim sole design, high durability, top grip (SRC) and great flexibility. The drawn up scuff cap avoids abrasion of the leather in the toe area, also when you are working on your knees.
- ALUMINIUM TOE CAP Same protection as steel but 30% less weight. Due to the low thermal conductivity there are less cold spots. The spacious fit ensures a pleasant comfort.
- idCELL The idCELL in the heel area consists of a very soft shockabsorbing EVA material. It perfectly absorbs impacts and shocks when the heel strikes the ground.
- UPPER Sandwich mesh is a particularly breathable material. The
  coarsemesh nylon fabric is extremely tear-resistant, offers good
  padding and shows no signs of fatigue in hard everyday work. The
  robust microfiber fabric is easy to care for, breathable, water and dirt
  repellent.
